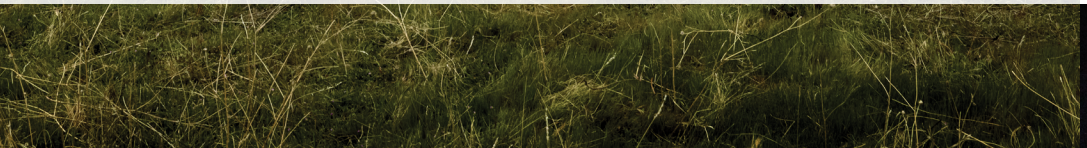
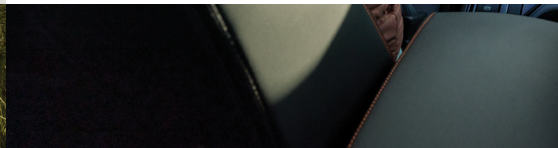
2027

Crosstrek

Love. It's what makes Subaru, Subaru.®

SUBARU





Meet the 2027 Subaru Crosstrek.

Love is out there®. Find it in a Crosstrek.

One compact SUV. Countless ways to make it yours. Choose from Hybrid, Wilderness, or gas — every Crosstrek comes with legendary Subaru Symmetrical All-Wheel Drive. Lower emissions with the Hybrid, delivering up to 630 miles of range[1] and up to 50% better city fuel economy than Crosstrek gas models.[2] For more adventure, add 9.3 inches of ground clearance and all-terrain Yokohama GEOLANDAR® tires with the Wilderness.

Trim Levels

Base

- Subaru Symmetrical All-Wheel Drive
- 180-hp 2.5-liter 4-cylinder SUBARU BOXER® engine with direct injection

Information current at time of printing.

1 Maximum range based on manufacturer-estimated highway fuel economy and a full tank of fuel. Actual mileage and range may vary. 2 Comparison based on EPA city fuel economy estimates for 2027 Crosstrek Hybrid vs. conventional 2027 Crosstrek models. Actual mileage may vary. 3 Manufacturer-estimated fuel economy. Actual mileage may vary. Gas-powered vehicle miles per gallon is based on manufacturer-estimated and combined fuel economy and full tank of fuel. Actual mileage may vary. Hybrid range is based on manufacturer-estimated combined fuel economy and a full tank of fuel. Actual mileage and range may vary. 4 EyeSight® is a driver assist feature that may not operate optimally in all weather and road conditions. Drivers always remain responsible for safe and attentive driving. See Owner's Manual for details on system operations and limitations. 5 Activation with subscription required. Includes a five-year trial subscription to MySubaru Companion services and a one-year trial subscription to MySubaru Navigator. MySubaru Companion+ services can be purchased as a multi-year package with annual or monthly renewals after the package period. A credit card on file will be required for specific packages and for renewal purposes. Features and availability vary by vehicle and trim level. May not be available in all states. See your retailer for details. 6 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 7 Premium paint at additional cost. See your Subaru retailer for details. 8 Maximum towing capacity varies by trim level. Trailer brakes may be needed. Some safety features, including X-MODE®, Blind-Spot Detection and Rear Cross-Traffic Alert, may not function properly when towing. See your Subaru retailer for details. 9 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See your Owner's Manual for complete details on system operations and limitations. 10 Color availability varies by trim level. See website or retailer for details. Colors shown may vary due to reproduction and printing processes. 11 Estimated total hybrid system net power; engine-only output is 162 hp.
