READY FOR ANYTHING

No matter the road, the 2026 Eclipse Cross is ready. The innovative S-AWC[1] system integrates 4WD, Active Stability Control[2], Anti-Lock Braking and Active Yaw Control into one package. The system helps you maintain traction in almost any weather condition. Switch to one of three different drive modes wherever and whenever you need it to keep you confident. Auto Mode gives you advanced fuel efficiency, traction, high-speed stability, and handling. Snow Mode offers improved traction and stability in the winter months when driving down icy, snow-covered roads. Switch to Gravel Mode for additional traction to get you through courser roads.

PEAK PRECISION

The front and rear suspension specifications on the Eclipse Cross are optimized to deliver agility and stability. A rigid connection, larger rear absorber, and fine-tuned rebound spring allow the vehicle to respond to road conditions in real time, offering exceptional handling and a dramatically smooth ride overall.

TURBO-CHARGED POWER

The 1.5L direct-injection turbo engine focuses on giving you a burst of power and pace. Combined with a standard CVT (Continuously Variable Transmission) and 8-speed Sport Mode, the 2026 Eclipse Cross delivers quick and responsive acceleration with reliable fuel-efficiency.[3]

FORWARD COLLISION MITIGATION

Forward Collision Mitigation[4] gets your attention with audible and visual alerts and will apply the brakes automatically to help you avoid an accident.

LANE DEPARTURE WARNING

The Lane Departure Warning[5] system continually monitors your current lane position and gives you an audible and visual alert if it detects unintentional drifting.

AUTOMATIC HIGH BEAM

The available Automatic High Beam Headlights detect vehicles ahead of you and in oncoming lanes and switch between high- and low-beam headlights to help reduce glare.

INTERIOR

INSIDE YOUR ECLIPSE CROSS

ALL HANDS ON TECH. The 2026 Mitsubishi Eclipse Cross is equipped with available tech innovations to keep you connected, comfortable, and centered every time you hit the road.

BLIND SPOT WARNING AND LANE CHANGE ASSIST

With this available feature, a warning light will appear if a vehicle is traveling in the blind spot detection areas and an audible and visual alert will indicate if a car is in the next lane.

DUAL ZONE AUTOMATIC CLIMATE CONTROL

The available dual zone automatic climate control lets the driver and passengers keep things as cool or toasty as they'd like.

8" SMARTPHONE LINK DISPLAY AUDIO

Even the tiniest details have a big impact. We've placed the available 8" Smartphone Link Display Audio closer to the driver, putting your playlists, contacts, and apps within reach.

AVAILABLE SIRIUSXM[7]

Get the ultimate in-car entertainment with the available three-month SiriusXM Platinum Plan trial subscription. Enjoy ad-free music, talk, news, and more.

MY MITSUBISHI CONNECT™[8]

The available My MITSUBISHI CONNECT™ is a collection of innovative services—including Smart Remote Start, Roadside Assistance and temperature control—all in one handy app.

MITSUBISHI POWER SOUND SYSTEM

Both Apple CarPlay®[10] and Android Auto™[11] are available on the 2026 Mitsubishi Eclipse Cross. With these systems, you can connect your compatible iPhone® or Android™ smartphone to the vehicle's touchscreen display. This allows you to access and control your favorite apps, and use voice commands through Siri® or Android Auto™ apps.

Disclaimers

Computer renderings depicted. Actual production model may vary. Optional features shown. Available at additional cost. Information accurate at time brochure is generated but is subject to change. Visit mitsubishicars.com or see your local Mitsubishi Motors dealer for complete details.

1. Super All-Wheel Control (S-AWC) adds Active Yaw Control (AYC) to realize the AWC concept at a very high level. While this Integrated Vehicle Dynamics Control System manages the driving forces and braking forces of the four wheels to help realize vehicle behavior that is faithful to the operation by the driver under a variety of driving conditions, it is not a substitute for careful driving. S-AWC cannot prevent collisions or loss of traction in all conditions. Exercise caution so your full attention is given to vehicle operation in all road conditions.

2. The Adaptive Stability Control system is not a collision avoidance system or an automatic driving system. It isdesigned to use only limited braking and is never a substitute for safe and careful driving. Never rely solely on the Adaptive Stability Control system.

3. 2026 EPA Fuel Economy Estimates 25 City/28 Highway for Eclipse Cross ES, 25 City/26 Highway for Eclipse Cross LE, SE, SEL. Actual mileage may vary with driving conditions. Use for comparison only.

4. The Forward Collision Mitigation (FCM) with Pedestrian Detection system is a driver aid only and is not a substitute for safe and careful driving. Under certain circumstances, the system may not detect other vehicles and/or pedestrians correctly.

5. The Lane Departure Warning system is designed to read lane marks under certain conditions. It is not a collision avoidance system or a substitute for safe and careful driving.

6. The what3words products are operated by what3words Limited.

7. All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after the trial, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.

8. Available in SE and SEL models. Included for two years as a new Mitsubishi owner of a My MITSUBISHI CONNECT-capable vehicle. After the two-year trial, standard yearly subscription costs apply

9. Available feature. The Chamberlain Group, Inc. owns myQ® word mark and logos, and any use of such marks by Mitsubishi is under license. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation

10. Available feature. Apple CarPlay®, Siri®, and Apple Music® are trademarks of Apple Inc., registered in the U.S. and other countries. iPhone is a registered trademark of Apple Inc. Distracted driving is dangerous. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation.

11. Available feature. Android™, Android Auto™, Google™, Google Play™, Google Maps™, Google Assistant™ and other marks are trademarks of Google LLC. Distracted driving is dangerous. Restrict use connected devices to safe times and always exercise caution so your full attention is given to vehicle operation.
