HYUNDAI PROTECTION PLAN

Theft Protection

HYUNDAI

The true cost of auto theft goes beyond the simple loss of your vehicle.

If your new Hyundai is ever stolen, and your insurance company follows common industry practices, they will likely only cover your vehicle's market value at the time of the loss. When it comes time to replace your vehicle, this may leave you with the burden of unexpected out-of-pocket replacement costs.

Fortunately, Theft Protection offers you a theft deterrent system that helps to minimize your losses, plus a Replacement Benefit that gives you up to a $5,000 credit to apply toward the purchase of a replacement vehicle.[1]

Our Theft Protection system ensures peace of mind

- **Distinctive anti-theft warning window decals** used to deter theft
- **Vehicle marked with identification codes**
- **Up to $5,000[1] Replacement Benefit** if the Theft Protection system fails to prevent the theft of the vehicle and the vehicle is declared a total loss because either the vehicle is not recovered or it is recovered but damaged beyond reasonable repair
- **Transferable coverage** may add to the resale value of your vehicle
- **Coverage** for 5 years
- **Monthly payment** option if you include the product price within your auto financing

Protecting your investment

The following illustrates how the Theft Protection Replacement Benefit can cover replacement costs if your vehicle is stolen and declared a total loss:

Replacement vehicle cost (selling price* including taxes and fees, less any applicable rebates)	$25,000
Actual cash value of stolen vehicle (as determined by Primary Insurer)	– $20,000
Your potential expense	$5,000**
Theft Protection Replacement Benefit	**($5,000)**
Total amount you owe	**$0**

***Selling price cannot exceed the MSRP (for new vehicles) or NADA value (for pre-owned vehicles).**

****Approximate costs; your actual costs may vary.**

This example is for illustrative purposes only. Actual Replacement Benefit calculations will vary based on specific circumstances.

Coverage exclusions may apply[2]:

- Vehicles stolen outside the United States, its territories, or Canada
- Theft occurring prior to the Certificate of Coverage purchase date
- Theft resulting directly or indirectly from any dishonest, fraudulent, or criminal act

1 The Replacement Benefit must be used toward the purchase of a replacement vehicle at the selling dealer.

2 Additional exclusions may apply. Please see your Certificate of Coverage for specific coverage details, including limitations and exclusions.
